

## Chima Altar, Bertram's Cruise

**Date**

1992

**Primary Maker**

Luis Tapia

**Medium**

painted sugar pine

**Description**

A two piece, brightly painted sculpture depicting the dashboard, window and seats of the interior of a car. In window is a painted landscape scene featuring a straight

road and the desert terrain. The dash is painted yellow with a green painted steering wheel in the form of a cactus and has two small bultos sitting on the top. The pair of seats is painted red with yellow trim and blue and green detailing.
