

Review on Red Square

Date

1927 (printed later)

Primary Maker

Boris Ignatovich

Medium

gelatin silver print

Description

A dramatic image, illustrating the photographer's ability to create uniqueness from the mundane as Ignatovich captures rows of identical soldiers moving in one synchronized motion, dark uniforms contrasted by the cold-gray walls of the Kremlin in the background. The repetition of the perfectly erect rows of soldiers leaves the viewer with a feeling of strength for this evolving Utopian society.

Dimensions
