Erika Wanenmacher

Medium

wood and glass

Description

Near life-size silhouette of a female figure in green floral motif surrounded by a black aura, then dark blue, and finally leaves. Mosaic-looking assemblage made of painted wooden "tiles". Four metal and glass leaves hang above woman. Various dimensional glass enclosures cover various organic objects, including bones, a shell, and a bird wing, are mounted directly to female form.

Dimensions

108 x 84 in. (274.3 x 213.4 cm)
