

## Folleto introductorio (from the portfolio Prints of the Mexican Revolution)

### Date

1947

### Primary Maker

Alberto Morales Jiménez

### Medium

letterpress

### Description

A letterpress introductory booklet that includes a title page, a collaborators listing, a 'Declaration of the Principles' of the Taller, a prologue, a publication page, and an index of prints with a description of each written by Alberto Morales Jiménez. Print number 85 (2015.29.36) by Ignacio Aguirre is printed on the declaration page of the booklet. Hannes Meyer (former director of the Bauhaus at Dessau) was the technical director of the

edition and Lena Bergner designed the layout, folder, and format.
