## Cyclist

**Date**

n.d.

**Primary Maker**

Ted Egri

**Medium**

cast bronze

**Description**

An abstract image of a person riding on a bicycle or motorcycle. The figure's left arm is bent back in a curved position while the right arm is bent forward and resting against the side of the figure's body. The figure's hair is blown back giving the appearance of the cyclist being in motion. At the front of the sculpture is a hollowed out circle that represents the wheel of the cycle.

**Dimensions**

23 3/8 × 16 1/4 × 13 in. (59.4 × 41.3 × 33 cm)
