

Basic Detail Report

Untitled (Plaster Mold of Squirrel Relief)

Date

circa 1960

Primary Maker

Eugenie F. Shonnard

Medium

plaster and paint

Description

Plaster relief of a squirrel in an oak tree, the inverse impression of 2008.1.112, with the squirrel and leaves recessed instead of raised. The design is a squirrel on a tree branch surrounded by leaves and acorns, with a scalloped border. The plaster is a warm orange and notably darker in the low areas.

Dimensions

6 1/2 × 9 1/4 × 3/4 in. (16.5 × 23.5 × 1.9 cm)
