

Basic Detail Report

Untitled (WMH)

Date

Negative 2002, print 2003

Primary Maker

Gerald Slota

Medium

Gelatin silver print

Description

Black and white image of two faces. The face on the left side of the image only shows one eye, cheek bone, and nose in an upward facing position. The second face, behind the first, comes from the right side of the image with one eye, mouth, nose, and jaw visible. Scribbled circles are over the faces and a teeth-like black and white light patterning is placed over the second face's mouth.

Dimensions
