

Basic Detail Report

Untitled (Farm Buildings Surrounded by Hills)

Date

early 20th Century

Primary Maker

Eugenie F. Shonnard

Medium

pastel

Description

Landscape with two white farm houses with silos outlined in black. There is a blue road that runs from the lower right corner and disappears between the two houses. There are yellow-green hills in the foreground and middle ground, and there are purple and blue mountains in the back ground. There appears to be a layer of fog in center between the hills and behind the houses.

Dimensions

Image: 12 x 16 in. (30.5 x 40.6 cm)
