Description

Landscape of a house surrounded by trees near a road. In the foreground there is a light brown road that leads from the bottom right corner to the center of the image. In the lower left corner there are green, blue and pink brushstrokes. Farther back on the left there is a dark green tree and a couple of blocks of blue-grey that could be rocks. On the right side of the image, about two thirds up from the bottom, part of a white house with a red roof is visible. Behind it, there are some gray-green blocks of color that could be either rocks or trees. The sky is very light blue. Some board is exposed on right and left of the bottom edge where canvas is not cut squarely (canvas does not seem to be coming unglued).
