Description

Interior, two walls and ceiling converge at around center rear of composition. Walls appear to have cracked apart at top and in front of them on floor is an old-fashioned wooden cabinet with inset television screen with a cloth draped on top and a pair of antlers reaching upward. Leaning against the all at right is a stack of wood, tables, or furniture. On the floor in front of the television is debris and a bouquet of artificial flowers in a vase shaped like a basket with an arched handle. Against the wall at left is what appears to be a more recent model television with a helmet on top and other stacked debris.
