Description

Plan for a detail of a Top section of proposed reredos commissioned by Julie Penrose for a chapel in Colorado Springs, CO, a design that was never executed in full. This design has three vignettes of birds perched on branches with acorns. The side rectangles each have one bird and seven acorns, while the middle rectangle is wider, with two birds and twelve acorns. A line of concentric semicircles runs along the top edge. The two bottom corners have squares, each with four acorns. The image is numbered from one to eight along the top and bottom.
