### Description

Matted watercolor of a path through a pink and green forest. The path is black and cuts from the lower left diagonally upward, curving back to the left before disappearing around the center of the page. There is a patch of bright green grass to the right of the path and trees with black trunks (maybe done in crayon) growing on both sides, which have green and pinkish-red leaves. More concentrated pink, orange, yellow, green, and black are applied in a pointillist technique. The entire surface of the image and mat are covered by a sheet of clear, reflective plastic or vinyl.
