Description

Matted watercolor of a leafless tree and a mountain. The tree is prominent in the foreground, drawn in black outlines and spanning most of the page. A smaller shrub with orange leaves grows to the right of the tree, and more orange shrubs and trees line the curving path that begins in the lower right corner and winds back towards a tall blue and gray mountain below a mostly gray sky. Most of the image is a light gray, with pools of green in the foreground, orange in the mid and backgrounds, and blue in the furthest background. The entire surface of the image and mat are covered by a sheet of clear, reflective plastic or vinyl.
