Description

Matted watercolor of a snowy scene with a bird feeder. The bird feeder is green with three feeders, one on the right and two on the right. The leftmost feeder has three black and blue birds and the middle and rightmost feeders each have one blue bird. A red bird perches on the left arm above the feeder. Behind the feeder is a snowy forest, cut through with a faint path zig-zagging through the center. The entire surface of the image and mat are covered by a sheet of clear, reflective plastic or vinyl.
