

Basic Detail Report

Iris series Californicae (Pacific Coast Iris)

Date

2013 (printed 2018)

Primary Maker

Jo Whaley

Medium

Pigment print

Description

A U-shaped glass laboratory vessel is held upright by black

clamps visible at bottom of page, filled with a greenish-yellow liquid. Opening at left holds a cut purple-and-white iris blossom while opening at right holds two iris leaves, one yellow and one green. A small horizontal tube at the left of the U-shape holds an unopened iris blossom while a similar structure on the right holds an expired bloom. Predominantly grey studio backdrop behind.

Dimensions

Support: 24 × 20 in. (61 × 50.8 cm)
