

Basic Detail Report

The Ports Near the Water

Date

circa 1920

Primary Maker

Eugenie F. Shonnard

Medium

oil on canvas

Description

Scene of three boats in the water near a village. In the bottom left corner of the image there are some brown and tan rock formations. There is a body of water that is in the lower right corner and the middle left area of the image. There are three brown boats in the water and two are in the distance near the shore and the third is closer to the foreground. On the other side of the water there is a small village with 10 or more buildings. Some of the buildings have peach roofs and some have blue roofs. There is a brown cloud or rock formation in the upper left of the image behind the town.

Dimensions
