Description

Matted landscape with red rock formations, green grass, and a red path. The right midground is dominated by a red, pink, and orange rock formation, the peak of which reaches the top edge of the page. The left background has a hill in similar colors, which slopes down towards the center of the page. The hill is dotted with small green shrubs. A cream-colored band separates this hill from the green grass of the foreground. An orange path with undefined edges, or perhaps an arroyo, arcs from the lower left corner across the page to the right.
