

Untitled Tray

Date

n.d.

Primary Maker

Eugenie F. Shonnard

Medium

glazed ceramic

Description

Shallow ceramic tray in a rectangular shape. The glaze is a dark brown-gray color and covers the vessel, with only a gap around the foot. The unglazed clay visible there is reddish, with streaks of green and light brown layers of glaze peeking through. The interior has a hard water line around the middle. There is a small area of green and blue paint residue. Around the exterior top edge are some black dots.

Dimensions

1 3/4 × 5 1/4 × 3 1/2 in. (4.4 × 13.3 × 8.9 cm)
