Description

Carved wooden box with a design of two six-petaled flowers on the front. The sides each have two carved circles while the back and lid have a rough natural texture. Inside the box is a silver flask that measures 4 5/8" x 1 3/4" x 3/4". The hinges look hand cut. The wood has been sanded to reveal its texture. The interior is dark and the exterior is light brown and weathered.
