

Basic Detail Report

Untitled (Crane)

Date

n.d.

Primary Maker

Eugenie F. Shonnard

Medium

plaster, slip

Description

Large-scale sculpture of a standing crane. The crane is slender and tall, with long legs and a long neck. Its head is tucked to its chest so that the beak is fused to the neck with no gap. The piece is an even reddish brown color with a smooth surface.

Dimensions

50 × 8 × 10 1/2 in. (127 × 20.3 × 26.7 cm)
