Description

Matted landscape with grazing sheep. Green hills fill most of the image, lower on the left side and sloping up to the right. A white fence cuts from the lower left corner across to the right edge, and three structures surrounded by red and orange trees are visible past the fence: two that look like houses or barns, and a taller building like a silo. In the center of the image are five grazing sheep, all facing left. The entire surface of the image and mat are covered by a sheet of clear, reflective plastic or vinyl.
