Description

Matted watercolor with white-barked trees. In the foreground, a purple, orange, and green hill fills the left side, with a leafless, white-barked tree growing atop the hill. To the right of the hill starts an s shaped light purple path that makes a backwards s-shape and disappears into the distance on the left. The background is painted with blurry puddles of orange, purple, and a bright pink area in the center. The entire surface of the image and mat are covered by a sheet of clear, reflective plastic or vinyl.
